B. ESP SERVICE ESTABLISHMENT

System Set Up and EDI Testing fee applies at the time an ESP establishes service in SCE's service territory for the following services. (T)(C)

1. ESP Establishment - This fee covers the cost of establishing a new business relationship with the ESP and includes activities such as processing the Energy Service Provider Service Agreement (Form 14-652), establishing a DA account in SCE's billing and metering systems, and establishing ESP creditworthiness pursuant to Sections P and Q of Rule 22.

2. EDI Testing - This fee will apply to the Electronic Data Interchange (EDI) Testing that an ESP must complete prior to establishing service in SCE's service territory. ESP must successfully complete all standard technical testing which demonstrates the ESP is capable of exchanging data with SCE through EDI. (N)

3. System Update - ESP requests for changes in system setup to update information in SCE's system (e.g., company name change, banking information, billing information, etc.). (N)

System Set Up and EDI Testing Fee:.....Time and Materials (N)

C. DIRECT ACCESS SERVICE REQUEST (DASR) (T)

Direct Access Service Request (DASR) fee applies when an ESP submits a connect or disconnect DASR to add or remove a customer from a DA program.

DASR Fee Per DASR …….……..……..…… $0.60 (R)

D. Monthly Account Maintenance Fee: (N)

Monthly Account Maintenance Fee – The following fee will apply on a monthly basis per service account to account for operational and exception work on an ongoing basis, including routine internal and external ESP operational meetings to address ESP specific inquiries, review Service Account switches, and resolve billing and data issues.

	Per Month Per Service Account	
Monthly Account Maintenance Fee : ……..$1.30		(N)
