Schedule DMS-1 Sheet 1
DOMESTIC SERVICE
MULTIFAMILY ACCOMMODATION - SUBMETERED

APPLICABILITY

Applicable to domestic service including lighting, heating, cooking, and power use or combination thereof in a Multifamily Accommodation on a single premises where all of the Single-Family Dwellings are separately submetered. Closed to new construction as of December 7, 1981. However, pursuant to Decision 05-05-026, dated May 26, 2005, any building constructed for or converted to residential use prior to December 7, 1981, or served on Schedule DM prior to December 7, 1981, or any non-residential building converted to residential use after December 7, 1981 for which the conversion did not require a building permit, shall be eligible to take service under this Schedule if submeters are installed in the building. Any building constructed for residential use or converted to residential use for which a building permit was required on or after July 1, 1982, must be separately metered by SCE and is not eligible for service under this Schedule.

TERRITORY

Within the entire territory served.

RATES

The rates set forth in Schedule D shall apply to Customers served under this Schedule and shall be adjusted as follows:

Energy Charge:

The Baseline and Medical Baseline quantity, if applicable to be billed under rates designated as applicable to Baseline Service shall be determined by multiplying the applicable baseline quantities set forth in Preliminary Statement, Part H, Baseline Service, by the applicable number of submetered Single-Family Dwellings.

If any submetered Single-Family Dwelling qualifies for CARE or FERA rate assistance as set forth in Schedule D-CARE or Schedule D-FERA, the Baseline quantity shall be prorated among the applicable CARE / FERA Baseline rate and the regular Baseline rate according to the proportion of qualifying and nonqualifying dwellings. Nonbaseline usage, if applicable, shall be prorated among the applicable CARE / FERA Nonbaseline rate and the regular Nonbaseline rate according to the same proportion as the Baseline quantity.

Base Services Charge Adjustment (BSCA):

The BSCA of $0.794 per meter per day will be reduced by the following amount if any submetered Single-Family Dwelling is enrolled in the CARE or FERA rate assistance program or considered Deed Restricted Affordable Housing (DRAH). These discounts are in addition to the relevant rate exemptions and discounts provided to CARE and FERA customers as referenced in Schedule D Billing Calculation Special Condition:

BSCA Discount (per meter per day)		
CARE	$(0.168)	(I)
FERA	$(0.197)	(R)
DRAH	$(0.327)	(R)

RATES (Continued)

Deed Restricted Affordable Housing (DRAH):

DRAH will be identified by the California Housing Partnership database. Submetered tenants not already enrolled in CARE or FERA will be provided a discount to reduce their Base Service Charge. DRAH submetered tenants are exempt from the Base Services Charge Surcharge of $0.069 per meter per day and are provided a Base Service Charge Discount of $(0.327) per meter per day to reduce the Base Services Charge. (I) (R)

DMS-1 Submetering Discount:

The DMS-1 submetering discount of $(0.085) per day per Single-Family Dwelling is reduced by the diversity factor of $0.057 per day per Single-Family Dwelling resulting in a total discount of $0.028.

Residential California Climate Credit:

The master-metered customer served under this Schedule receives a California Climate Credit from the State of California for each of the submetered Single-Family Dwellings on the single Premises served. The California Climate Credits are applied to the master-metered customer's billing statements after the calculation of city and county utility users' taxes on customers' utility bills and prior to the application of franchise fees. It is the responsibility of the master-metered customer served under this Schedule to distribute the California Climate Credits to each submetered Single-Family Dwelling.

SPECIAL CONDITIONS

1. Seasonal Service: For Multifamily Accommodation customers who normally require service for only part of the year, service under this Schedule may be applicable only on annual contract.

2. Notification: It is the responsibility of the customer to advise SCE within 15 days following any change in the number of submetered Single-Family Dwellings and any change in qualifications for baseline allocations.

3. Miscellaneous Loads: Miscellaneous electrical loads on the same meter such as general lighting, laundry rooms, Multifamily Accommodation office, general maintenance, and other similar usage incidental to the operation of a Multifamily Accommodation will be considered as domestic usage.

4. Nondomestic Enterprises: Electric energy used for nondomestic enterprises such as offices (other than an office used only for the Multifamily Accommodation), stores, shops, restaurants, service stations, and other similar establishments will be separately metered and billed under applicable schedules.

5. An Eligibility Declaration may be required for service under this Schedule

6. CARE / FERA Rate Assistance:

   a. Customers receiving service under this Schedule shall comply with the provisions of Public Utilities Code Section 739.5 in providing service to their submetered tenants. This includes, among other things, providing electric service to tenants under the provisions of Schedule D-CARE and Schedule D-FERA of SCE's tariffs.

SPECIAL CONDITIONS

6. CARE / FERA Rate Assistance: (Continued) (T)

b. Customers served under this Schedule shall provide application and declaration forms for the CARE and FERA rate to their submetered residential tenants. The completed application forms of eligible CARE or FERA tenants shall be mailed by the tenant to SCE.

c. When SCE receives an application from a qualifying low income CARE or FERA submetered tenant, the information will be forwarded to SCE's customer receiving service under this Schedule. (T) (T)

d. The proration of the DMS-1 customer's bill by SCE under the provisions of the Energy Charge shall commence no later than one billing period after receipt and approval by SCE of a qualifying tenant's application.

e. It is the responsibility of the DMS-1 customer to notify SCE immediately of the date each CARE or FERA tenant is no longer receiving service from the DMS-1 customer. In addition, if the DMS-1 customer has good reason to suspect that a tenant is not eligible, the DMS-1 customer should notify SCE. (T)

7. Failure of a DMS-1 customer to abide by SCE's tariffs may result in rebilling or discontinuance of service in accordance with SCE's tariffs. The DMS-1 customer's account may also be rebilled consistent with Rule 17.

8. Condition for Receiving Submeter Rate Discount: The submetering discount provided herein prohibits further recovery by mobile home park owners for the costs of owning, operating, and maintaining their electric submetered system. This prohibition also includes the cost of the replacement of the electric submetered system.
