Schedule DMS-3 Sheet 1
DOMESTIC SERVICE
QUALIFYING RV PARK ACCOMMODATION - SUBMETERED

APPLICABILITY
This Schedule is applicable to domestic service including lighting, heating, cooking, and power use or combination thereof in a Qualifying RV Park where all the RV spaces of the park, or all of the RV spaces in a specific section of the park, are separately submetered and reserved for prepaid month-to-month tenants.

TERRITORY

Within the entire territory served.

RATES

The rates set forth in Schedule D shall apply to customers served under this Schedule as follows:

Energy Charge: The baseline quantity to be billed under rates designated as applicable to Baseline Service shall be determined by multiplying the applicable baseline quantities set forth in Special Condition 8, by the number of qualifying RV units in a qualifying RV Park; plus any eligible Medical Baseline Allocations.

If any tenant in a submetered Qualifying RV Park qualifies for CARE or FERA rate assistance as set forth in Schedule D-CARE or Schedule D-FERA, the Baseline quantity shall be prorated among the applicable CARE / FERA Baseline rate and the regular Baseline rate according to the proportion of qualifying and nonqualifying spaces. Nonbaseline usage, if applicable, shall be prorated among the applicable CARE /FERA Nonbaseline rate and the regular Nonbaseline rate according to the same proportion as the Baseline quantity.

DMS-3 Submetering Discount: The submetering discount is zero.

Base Services Charge Adjustment (BSCA): The BSCA of $0.794 per meter per day will be reduced by the following amount if any submetered Single-Family Dwelling is enrolled in the CARE or FERA rate assistance program or reside in Deed Restricted Affordable Housing (DRAH). These discounts are in addition to the relevant rate exemptions and discounts provided to CARE and FERA customers as referenced in Schedule D Billing Calculation Special Condition:

BSCA Discount (per meter per day)		
CARE	$(0.168)	(I)
FERA	$(0.197)	(R)
DRAH	$(0.327)	(R)

Deed Restricted Affordable Housing (DRAH): DRAH will be identified by the California Housing Partnership database. Submetered tenants not already enrolled in CARE or FERA will be provided a discount to reduce their Base Service Charge. DRAH submetered tenants are exempt from the Base Services Charge Surcharge of $0.069 per meter per day and are provided a Base Service Charge Discount of $(0.327) per meter per day to reduce the Base Services Charge. (I) (R)

Residential California Climate Credit: The master-metered customer served under this Schedule will receive a California Climate Credit from the State of California for each of the submetered Qualifying RV Units on the single Premises served. The California Climate Credits are applied to the master-metered customer’s billing statements after the calculation of city and county utility users' taxes on customers' utility bills and prior to the application of franchise fees. It is the responsibility of the master-metered customer served under this Schedule to distribute the California Climate Credits to each submetered Qualifying RV Unit.
