Schedule DRP-SF Sheet 1
DEMAND RESPONSE PROVIDER SERVICE FEES

APPLICABILITY

Applicable to Demand Response Providers (DRPs) participating in Direct Participation Demand Response (DPDR) who elect to have SCE provide Meter Services and Customer Information Services as defined in Rule 24. The products and services provided in this Schedule are subject to availability. All provisions of Rule 24 shall apply to DRPs.

This Schedules is closed. All applicable services and charges are available under Schedule CC-DSF. (N) (N)

TERRITORY

Within the entire territory served.

RATES

All provisions of Rule 24 and "Demand Response Provider Service Agreement" (Form 14-942) shall apply in addition to the following charges for the service being provided:

1. METERING RELATED SERVICES

a. Meter Removal Services

Third Party Return of an SCE Meter:

	Per Meter Per Removal
Un-Returned Meter Penalty Charge:	T&M

(Continued)

Schedule DRP-SF
DEMAND RESPONSE PROVIDER SERVICE FEES

RATES (Continued)

1. ADDITIONAL METERING RELATED SERVICES (Continued) (T) (D)

b. Other Metering Services (T)

Other Metering Services include services provided by SCE that are in addition to and/or associated with the services described in this Schedule and/or in the Interval Metering and Metering Facilities Agreement (Form 14-655), such as but not limited to services provided by SCE to DRPs who offer net energy metering. Such services shall be charged on a time and materials basis (T&M).[1/] (T)

The charges will be calculated based on SCE's total costs to provide Other Metering Services. The total charge will be determined by multiplying the personnel classification hourly rate for each job by the number of hours worked plus material costs which include a procurement charge of 13.7 percent and sales tax, plus the following charges, when applicable.

(1) Investigation and Scheduling Charge. This charge applies unless the Other Metering Services are performed in conjunction with the installation of an IDR, in accordance with Section 2.a of this Schedule and includes the cost to research the customer's account, order appropriate equipment, and schedule the installation of the equipment for metering services not otherwise provided in the tariffs.

	Per Installation
Investigation and Scheduling Charge:	T&M

(2) Material Handling Charge. This charge applies when the Other Metering Services performed results in a removed meter or when a DRP requests SCE return a customer-owned meter to the DRP or customer. This charge includes the cost to prepare the meter for shipment and the actual cost to ship the meter.

	Per Removed Meter
Material Handling Charge:	T&M

[1/] The hourly personnel rates for such services are available upon request. (D) (T)

b. Other Metering Services (Continued) (T)

(3) Engineering Estimate or Job Design Charge. This charge applies for providing estimates, performing job designs, and determining the material requirements at the request of the customer for standard meter installations. This charge will apply if SCE was requested to engineer a job and/or design a job and the customer did not pursue the work. The engineering estimate and/or job design is valid for 90 days.

	Per Occurrence	
Engineering Estimate or Job Design Charge:	$54.00	(I)

(4) Acceptance Testing of Customer-Owned Meter Charge. This charge applies for testing a customer owned IDR meter at SCE facilities. Shipping costs for the IDR meter are the customer's responsibility.

	Per Occurrence	
Acceptance Testing of Customer-Owned Meter Charge:	T&M	(C)

(5) Pulse Adapter Equipment and Installation Charge. This charge applies to supply pulse interface equipment on a customer-owned or SCE-owned meter outside of the initial meter installation.

	Per Occurrence	
Pulse Adapter Equipment and Installation Charge:	$287.00	(I)

RATES (Continued)

1. ADDITIONAL METERING RELATED SERVICES (Continued) (T)

d. Incomplete Trip Charge. Applies when an DRP fails to arrive to a scheduled joint meet or when a DRP requests SCE to visit a customer site to perform a metering related activity such as to connect a customer phone line to an IDR meter, perform a special meter test not related to a billing inquiry, and other such requests, but the job could not be completed due to circumstances for which the DRP or customer is responsible. (T)

	Per Event	
Incomplete Trip Charge:	$101.00	(I)

f. Special Services Request Charge (T)

The charge applies to a customer request for discretionary service from SCE that is not required or covered by an existing service. SCE to provide customer with a cost estimate on a time and materials basis. SCE would only perform the requested service upon mutual agreement of both the DRP/customer and SCE.

	Per Event
Special Services Request Charge:	T&M

2. CUSTOMER INFORMATION SERVICES (T) (L)

A. Customer Information Standardized Request (CISR) Base Processing is the required handling for each CISR in order to provide the Usage Data. The fees for any of the Usage Data provided are in addition to the CISR Base Processing Fee. (N)

	Per CISR	
CISR Base Processing Fee	$ 2.10	(N) (L)

(Continued)

RATES (Continued)

2. CUSTOMER INFORMATION SERVICES (Continued)

B. The Usage Data Base Fee is the administrative cost for processing the Usage Data. The fees for each service account's Usage Data are in addition to the CISR Base Processing Fee.

Interval Meter Usage Data	Per Usage Data Request Per Service Account
Usage Data Base Fee:	$15.00

Non-Interval Meter Usage Data	Per Usage Data Request Per Service Account
Usage Data Base Fee:	$9.00

C. Rate Change Service is the administrative cost for processing the request for rate change for each Service Account. The fees for each service account's rate change are in addition to the CISR Base Processing Fee. (T)

	Per Service Account
Rate Change Request Processing Fee:	$4.30

3. OTHER SERVICES

Other Services include services provided by SCE that are in addition to and/or associated with the services described in this Schedule. Such services shall be charged on a time and materials basis.1/

The charges will be calculated based on SCE's total costs to provide Other Services. The total charge will be determined by multiplying the personnel classification hourly rate for each job by the number of hours worked, plus material costs which include a procurement charge of 13.7 percent and sales tax.

SPECIAL CONDITIONS

1. Meter Services are as defined in Rule 24, Section F.

2. Customer Information Services are as defined in Rule 24, Section D.

1/ The hourly personnel rates for such services are available upon request.

(Continued)

Schedule DRP-SF
DEMAND RESPONSE PROVIDER SERVICE FEES

SPECIAL CONDITIONS (Continued)

3. Special MDMA Services: Upon DRP request, SCE may provide special MDMA Services outside the regularly scheduled meter read date on a one-time basis, per request. This will not alter a customer's regularly scheduled meter read date. If the DRP requests a "read to be verified" and the read is determined correct, the DRP will be charged under these services. However, if the read is determined incorrect, the DRP will not be charged.

4. An "Demand Response Provider Service Agreement" (Form 14-942) will be required for services under this Schedule. Additionally, an "Interval Metering and Metering Facilities Agreement" (Form 14-655) and/or a "Meter Purchase and Related Meter Services Authorization Form" (Form 14-699) may be required for services under this Schedule.
