Schedule GMS Sheet 1
GENERATION MUNICIPAL SURCHARGE

APPLICABILITY

Applicable to Direct Access (DA) Customers, Community Choice Aggregation Service (CCA Service) customers, Community Aggregator (CA) customers, or any SCE Delivery Service Customer who receives Generation service from a supplier other than Southern California Edison Company (SCE). See Special Condition 1 below for certain exemptions.

TERRITORY

Within the entire territory served.

RATE

Generation Municipal Surcharge (GMS) Factor ..... 0.009294 (I)

SPECIAL CONDITIONS

1. Pursuant to Public Utilities Code Sections 6350-6354, the Generation Municipal Surcharge applies to all DA, CA and CCA Service Customers, and any SCE Delivery Service Customer who receives Generation service from a supplier other than SCE with the following exceptions:

   a. The State of California or a political subdivision thereof; and

   b. A cogeneration or nonutility generation facility when the facility transports electricity through its own electric transmission or distribution system or otherwise delivers electricity in the manner described in Section 218 of the Public Utilities Code.

2. For exemption from the Generation Municipal Surcharge pursuant to Special Condition 1.a., it is the responsibility of the customer to self-identify as an entity of the State of California or a political subdivision thereof by completing Form 14-961, Generation Municipal Surcharge Exemption Self-Certification Affidavit. Exemption from the Generation Municipal Surcharge for eligible customers under Special Condition 1. a. will be effective on the next regularly scheduled meter read date after receipt of the signed Form 14-961.

Schedule GMS Sheet 2 (N)
GENERATION MUNICIPAL SURCHARGE

SPECIAL CONDITIONS: (Continued)

3. The Generation Municipal Surcharge shall equal the product of the GMS Factor and the portion of the otherwise applicable utility rate or charge which is removed from the bill of a retail electric customer who has elected DA or CCA Service. The GMS Factor equals the Franchise Fee Factor adopted in SCE's most recent General Rate Case. (L)

4. Franchise Fee Factor is defined as total annual franchise payments expressed as a percentage of total annual gross sales of electric energy. (L)
