Schedule PARF
POLE ATTACHMENT RELATED FEES

Sheet 1

APPLICABILITY

Applicable to any California Public Utilities Commission (CPUC) eligible entity (ROW entity) that executes a pole license agreement to place an attachment on Southern California Edison Company's (SCE) distribution pole pursuant to the CPUC's Rights-Of-Way (ROW) rules in Decision 98-10-058. These agreements include, but are not limited to, the Pole License Agreement form agreement submitted to CPUC via Advice 1395-E and Advice 1742-E.

TERRITORY

Within the entire territory served.

RATES

Pursuant to the Pole License Agreement and the ROW rules, a pole owner may recover the cost association with inspecting an attachment by a ROW entity. The Final Inspection Fee applies at the time SCE inspects an attachment made by a ROW entity to SCE's pole.

The following applicable service fee will be charged to the ROW entity unless otherwise specified in this Schedule.

	Effective 10/1/2021 Per Pole Inspection	
Final Inspection Fee:	$215.67	(R)
