Schedule FBD

N

Food Bank Discount

N

APPLICABILITY

N

Pursuant to Commission Decision (D.) 17-08-030, this schedule provides a 20% line-item discount to eligible Food Bank customers that meet the requirements for Eligible Food Bank as defined in Rule 1, Definitions, and herein, and is taken in conjunction with the customer's otherwise applicable service schedule. The food bank discount described herein cannot be applied in conjunction with service on Schedules DM, DS, DT, and DT-RV.

TERRITORY

Within the entire territory served by the Utility.

DISCOUNT

Eligible Food Bank customers will receive a separate line-item bill discount of 20% applied to the customer's total bill (less any minimum bill amount) as calculated for bundled service customers and applied by way of a reduction to the distribution rate component of the customer's bill.

SPECIAL CONDITIONS

ALL CUSTOMERS

1. Applicable Conditions. All special conditions contained in the customer's otherwise applicable schedule are applicable to service under this schedule.

2. Eligible Food Bank Customer. An Eligible Food Bank customer is an 'Eligible Recipient Agency' as defined in Section 251.3(d) of Title 7 of the Code of Federal Regulations; and has executed an agreement in compliance with Section 251.2 of Title 7 of the Code of Federal Regulations with the State Department of Social Services in order to participate in The Emergency Food Assistance Program administered by the Food and Nutrition Service of the United States Department of Agriculture.

3. Eligibility Affidavit. A Food Bank Eligibility Affidavit (Form 200-1000) is required for service under the FBD program unless otherwise authorized by the Commission. Renewal of a customer's eligibility affidivit, will be required at the request of the Utility.

4. Commencement of Discount. Eligible customers shall begin receiving the discount on the first regularly scheduled meter read date following receipt of a completed and approved Eligibility Affidavit by the Utility.

5. Verification. Information provided by the customer to the Utility is subject to verification as authorized by the Commission. Refusal or failure to provide documentation of eligibility acceptable to the Utility, upon request, shall result in the denial or termination of the discount.

6. Rebilling. Customers may be rebilled for periods of ineligibility under the applicable rate schedule.

7. Notice from Customer. It is the customer's responsibility to notify the Utility within 30 days if there is a change in eligibility status.

8. Discount Calculation. The discount shall be reflected through the use of separately stated discounted rates for each identified applicable service schedule, or alternatively, as an overall discount to the otherwise calculated customer, demand and energy charges.
