SCHEDULE DR-LI

DOMESTIC SERVICE - CARE Program

APPLICABILITY

Applicable to single-phase domestic service to customers qualifying for the California Alternate Rates for Energy (CARE) Program, residing in a permanent single-family accommodation, separately metered by the utility, where the customer meets the provisions of Special Conditions 1 through 7 of this schedule.

TERRITORY

Within the entire territory served by the Utility.

RATES

SCHEDULE DR-LI

DOMESTIC SERVICE - CARE Program

RATES (Continued)

Fixed Transition Amount Adjustment
For residential and small commercial customers as defined in Rule 1 – Definitions, and as described in Public Utilities Code Section 331(h), the rates shown above will be adjusted in accordance with the rates set forth in Schedule FTA.

CARE Discount
A 20% CARE discount will be applied to all CARE electric charges billed on this schedule. In addition, customers on this schedule will be exempt from paying the CARE Surcharge of $0.00114 per kWh. R

Franchise Fee Differential
A Franchise Fee Differential of 5.78% will be applied to the monthly billings calculated under this schedule for all customers within the corporate limits of the City of San Diego. Such Franchise Fee Differential shall be so indicated and added as a separate item to bills rendered to such customers.

SPECIAL CONDITIONS

1. Low-Income Household. A Low-Income Household is a household where the total annual gross income from all sources is no more than what is shown on the table below based on the number of persons living in the household. The combined income of all persons from all sources, both taxable and non-taxable, shall be no more than:

Number of Persons Living in Household	Total Annual Gross Income
1 or 2	$27,700
3	$32,500
4	$39,200
5	$45,900
6	$52,600

For Households with more than six persons, add $6,700 for each additional person. These annual gross income levels have been established pursuant to the Commission's Universal Lifeline Telephone Service (ULTS) Program guidelines and are subject to revision subsequent to the Commission's communication of new levels no later than May 1 of each year.
